

**Do West Palm is a website designed by fans of live music and events in the DOwntown West Palm area.** This site was inspired by a need for a one stop, active site to include current information on music, meals, movies and more!

**On just about any evening you can enjoy up to 10 live acts** all within walking distance in one of the most beautiful waterfront cities in Florida. Best of all, most of the live music is free! If you prefer Jazz, Rock and Roll, Blues, Acoustic, Latin or Reggae, DOwntown West Palm has it all. Some of the finest dining, fantastic happy hours and great music all within walking distance or a free trolley ride.

Just as West Palm has designed the perfect downtown with plenty to do in just one destination, **we've designed the perfect website** with all the information you need in one place. Events, menus, specials, happy hours, phone numbers, directions, shopping, you name it, it's all right here!

Do West Palm is dedicated to promoting downtown West Palm Beach from the Waterfront to the Kravis. We are open to suggestions and welcome any information that will assist in making DOwntown West Palm one of the finest music and entertainment districts in the U.S.
